EXPERIENCE

IT Technician (Paid Role)

2023 | Age 14

Salary Management Company, Bahrain

Worked in a professional IT role while in Grade 10 — one of the youngest paid IT employees in the company. Maintained systems and supported daily operations.

IT Infrastructure Intern

Jul 2024 – Aug 2024 | Age 14–15

ASRY (Arab Shipbuilding & Repair Yard Company)

Improved computer hardware systems and assisted in IT infrastructure maintenance at one of Bahrain's largest industrial companies.

Network Operations Engineer (Intern)

Aug 2025 | Age 15–16

Kalaam Telecom Group – GNOC

Worked inside the Global Network Operations Centre (GNOC), troubleshooting live network faults and tracing IP addresses under operational pressure.

Cyber Guards Hackathon Organizer

Feb 2025

NCST

Planned and ran a national cybersecurity hackathon — managing participants, judges, mentors and logistics from scratch.

Student Delegate & Project Presenter

Sep – Oct 2025

MILSET Expo-Sciences International (ESI), Abu Dhabi

Represented Bahrain internationally, presenting innovation projects to global experts.

Cybersecurity Competitor (1st Place)

Nov 2025

Cloud Village CTF – DEF CON Bahrain

Competed in advanced cloud security CTF challenges, achieved 1st place.

Banking IT Intern

5 Jul 2026 – 5 Aug 2026 | Age 16

National Bank of Bahrain (NBB)

Completed a one-month internship in the IT department, gaining exposure to banking technology infrastructure and enterprise support operations.

PROJECTS & ACHIEVEMENTS

Blue Energy Project

- First Place – NCST Science Fair
- First Place – Mullhemon Association Hulm Program
- Honorable Mention – Gulf University, Bahrain
- Participated at MILSET ESI 2025

NASA Space Apps Challenge (2025)

- Participant – Contributed to "Weather X" project during global hackathon
